Companions, Sir Knights, and Brethren all,  
Once again we are quickly approaching the Autumn Equinox ...a time of change... much to do, much to do. Farmers will be harvesting crops, gardeners canning and freezing their produce. Contractors try to “dry-in” before the rapidly approaching first frost. Homeowners caulking for the same reason. So much to do!! Each of us have projects or chores that need to be completed while time flies by. Do what you can as you can. But when our labors day is done, our tasks completed. Let us remember to celebrate and share the fruits of our labors. Take time to enjoy the beautiful fall foliage that is just around the corner. Invite your family and friends to share the bounty that the Lord has blessed us with. Gather with them roundabout a fire and roast marshmallows for s’mores, have some cider or hot chocolate. Sing a song or two. Most importantly, love and enjoy one another.

Please pray with me.

**Supreme Architect of the Universe**, creator of all things in the Heavens and in the Earth. We humbly come before you, Thankful for the many blessings of life that you bestow upon us each and every day. We are thankful that we live in a free country where we are enabled to practice our gentle art. And for the Brethren, friends and connections that it allows us to enjoy. We appreciate the bounty of your nature by which we are sustained. Most of all, we are so grateful for your promise of a hope for Salvation and Eternal Life with thee on Thy Holy Hill.  
AMEN
