Newby Avery Vaught Banquet

This year marked a change to the Name of the Annual Banquet. Sir Knight Duane Lee Vaught is the third Sir Knight from Indiana to complete his tour as Most Eminent Grand Master of the Grand Encampment of the United States of America. Thus, it is only fitting that his name should be added to the annual banquet honoring the Most Eminent Past Grand Masters from Indiana. Late year Mother Nature brought us a record 10 inches of snow in the middle of March for the banquet. This Mother Nature was much kinder as we enjoyed a very good lunch and great fellowship with about 45 – 50 Sir Knights and ladies at the Compass Park facilities.

The new Newby Avery Vaught Buttons

Sir Knight Vaught presented the Buttons and a plaque to Baldwin Commandery No. 2

Pictured are the 14 new Sir Knights who received the Order of the Temple Saturday March 30., 2019 during Prather York Rite Council, Commandery day at their Commandery. Five Sir Knight are now Members of Prather while Prather did curtesy work on nine from other York Rite Bodies around the state.

INDIANA SICKNESS

Michael Ritter, PGC had fallen last month while looking at a house to possibly purchase and broken his knee cap in several places. I called him today Sunday, to see how was doing enjoying the weather in Norther Florida, only to find that he was here with me, back in Muncie with the snow and only checking the weather where he left to find the temperature to be 70 degrees. His operation is over, and he will be receiving rehab for a couple of months. Welcome Back Mike....

A Tidbit

As you look at each person remember we all have a bag of troubles over our shoulder some are large bags some are small but, if we can all take two minutes to copy, paste and watch the [Youtube](#) below into your web browser, we can each see how fortunate we are. *Enjoy*

David Attenborough is a very clever man, but full credit to the cameramen who work for him.....

Every night and day we sit and moan about the rubbish being passed off as commercials that we are forced to watch by our commercial networks.

If only we could make commercials like this one there would be no complaints forthcoming.

This really is Magic.

David Attenborough does it again!
